### About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

<b>Comment:</b>	Frère Jacques in English called Are You Sleeping? Frère Jacques, also known as Brother Peter, is a French nursery rhyme traditionally sung in a round. The translation is a case, because this song is about Jacques (the word Friar is probably derived from the French word Friar in English), as French was still widely used online)
